#### Fire Dange

Smoking is prohibited on lifts and is only allowed in designated smoking areas. Report fires immediately via cell or on-mountain emergency phones.

#### Sun Protection

We recommend sunscreen with a sun protection factor of 15 or higher as well as eye protection.

#### Lightning and Thunderstorms

Afternoon thunderstorms are common in the mountains. Take proper precautions when you see or hear a storm developing: Seek shelter, keep off ridgelines, and stay clear of chairlift houses, lift towers, power lines, open spaces, lone trees and signposts. Lifts may close on occasion, causing delays.

#### Adequate Clothing

Be aware, mountain weather changes quickly and there is usually at least a 10 degree temperature difference from the bottom to the top of the lifts. Bring a raincoat and consider a sweater or fleece.

#### **Aerial Drones**

Due to safety and privacy concerns for guests, employees and property, the operation or use of remotely controlled aerial systems, or drones, is prohibited above or within Okemo Mountain Resort.

#### Pets

We welcome sociable, furry friends outside at Okemo Mountain Resort as long as they are on a leash and under the control of a handler at all times. Service dogs are welcome throughout the resort. Do not leave your dog unattended in vour vehicle.

#### Lift Safety

You cannot board a lift unless you have sufficient physical dexterity, ability and knowledge to negotiate or to use such lift safely or until you have asked for and received information sufficient to enable you to use the lift safely. You may not use a lift when under the influence of drugs or alcohol.
