All of our Sauces, Dressings, Soups and Chowder are made in house.

We use as many local ingredients as possible and develop  
our specials around what is seasonally available.

We have our own Vegetable Garden which will be providing us with Lettuce,  
Tomatoes, Peppers, Broccoli, Radishes, Beets, Green Beans, and Zucchini.

Our bacon is cured and smoked on the property using VT Pork and VT Apple Wood.

Consuming raw or undercooked meats, poultry, seafood, shellfish, or eggs may increase  
your risk of foodborne illness, especially if you have certain medical conditions.
